

Declaration of Use

Each PI (Principle Investigator and responsible supervisor of the user) and user has to sign this declaration for use of the irradiation unit and to return it to the operating manager (crohrer@vetclinics.uzh.ch) before the user will be admitted.

Users are classified in internal and external users. Depending on the classification different fees may apply.

- internal: members of ETHZ, USZ and UZH
- external: members of other academic institutions and companies

By signing the declaration the PI and the user agree with the facility regulations and declare to follow the SOP. In particular they agree with the following issues:

- The user's institute is financially and legally liable for any damage of the irradiation unit caused by the user.
- Any irregularities (bio-safety accidents, damages, etc) have to be reported immediately to the Operating Manager of the irradiation facility and the radiation safety manager according to the Facility Regulations and SOP.

Fees:

users will be charged for

- a) dosimetric calculation (applies only once per treatment protocol)
- b) for the radiation session performed by our staff (applies at each session)

I agree with the declaration of use and adhere to the SOP and the Facility Regulations of the irradiation facility of the University of Zurich:
